INSTRUCTORS RATING (H)

Our World-Class Ratings Training:

INSTRUCTORS RATING (HELICOPTER)

The helicopter instructor's rating is a professional certification that signifies an individual's ability to provide flight instruction for aspiring helicopter pilots. It requires extensive flight experience, in-depth knowledge of helicopter systems, and excellent teaching skills. Helicopter instructors play a crucial role in training future aviators, imparting essential knowledge, teaching flying techniques, and ensuring safety throughout the learning process. Their rating demonstrates expertise in effectively instructing and shaping the next generation of helicopter pilots.

The South African minimum requirements for an Instructors Rating (H) are:

- 18 Years or older
- CPL(H) or ATPL(H)
- Fluent in English (Speak, read, write, and understand) and pass the English Proficiency Examination
- A Class I or II Aviation Medical.
- We will assist you with booking your Aviation Medical appointment.
- Have successfully undergone the instructor ground evaluation test
- Pass the skills test

Flight Hours:

- 20 hours of practical flight instructor training (patter)
- 5 hours may be completed on our Bell222 Simulator

Pass Requirements for our Instrument Rating (H):

A pass mark of at least 75% is required for all your examinations. Total of 2 examination is required.
